To Whom It May Concern,

Subject: Privacy Compliance Statement

Athlete Era is committed to the responsible collection, use, and protection of personal information. We hereby confirm that our organization adheres to all applicable Canadian privacy regulations, including the Personal Information Protection and Electronic Documents Act (PIPEDA).

In compliance with PIPEDA, Athlete Era:

- Collects, uses, and discloses personal information only for purposes that a reasonable person would consider appropriate in the circumstances.
- Obtains consent where required and provides transparency about how personal data is handled.
- Implements administrative, technical, and physical safeguards to protect personal information against unauthorized access, disclosure, or misuse.
- Provides individuals with the ability to access their personal information and request corrections when appropriate.
- Maintains clear policies and processes for data retention, deletion, and cross-border data transfers.

Athlete Era uses Google Firebase as its primary infrastructure for data transit and storage. Firebase provides secure, encrypted data storage and transmission, with compliance to international standards including ISO/IEC 27001 and SOC 2. All personal information processed through Athlete Era is encrypted in transit and at rest, and we have controls in place to ensure compliance with Canadian privacy laws for any cross-border data transfers.

If you require additional documentation, including details of our data protection measures or a copy of our privacy policy, please contact me directly at corey@athlete-era.com.

Sincerely,

Corey Edington
Chief Executive Officer
